

GRACE ADVENTURES DAY CAMP

Sunscreen Application Permission Slip

Please complete ALL parts of this form

Sunscreen Policy:

Parents should apply sunscreen to campers prior to their arrival at camp. If a child requires additional sunscreen while at camp the parent must provide the sunscreen. Campers may not share sunscreen. Authorization from the parent/guardian must be obtained before applying sunscreen at camp. Only spray sunscreen may be used at camp. Campers will reapply sunscreen after lunch. Counselors will supervise sunscreen applying. Campers are expected to apply their own sunscreen. GADC staff will not assist the camper in any way where touching is required in the sunscreen application process. Under no circumstances should campers assist each other in the application of sunscreen where touching is required in the sunscreen application process.

(Print name of camper) _____ has my permission to apply sunscreen while attending Grace Adventures Day Camp. I will apply sunscreen to my child prior to his/her arrival at camp. I am aware that my child will be directed to apply his/her own sunscreen one time each day, after lunch. I am also aware that camp staff will not be permitted to assist my camper in the application of sunscreen where touching is required.

My child may **only** use the following brand of sunscreen that I will provide:

OR

My child may use any brand of sunscreen provided by me.

Note: While outside in wooded areas, campers must wear bug spray. Grace Adventures Day Camp will provide Cutter Backwoods Unscented Insect Repellent Aerosol Spray for campers to use.
